Subject: AWG data form for Water-Gen
AWG dataform LCA forWaterGen.3.8.18.xlsx

Please find attached the AWG data form to send to Water-Gen. There are three sections of the form for the three-different scale Water-Gen units. We removed sections that apply to broader study level scenario definitions. We have filled in certain sections of the form based on the data they have already provided.

We will plan to send the AWG scenario memo by next Wednesday 3/14.

Thanks!

Sarah
